It begins with practices in late August and finishes the first week of November with a tournament for all teams. Any age appropriate child may join fall soccer – no tryouts involved! Adult volunteers are greatly needed for this program. Please contact John Blackburn at 845-756-3095. Those signing up after July 13th will be charged an additional \$10.00.

HAUNTED FORTRESS

The Haunted Fortress is a unique, one of a kind Haunted experience and program that is run by the Town of Stanford Recreational committee under the direction of local artist, Antonio Ingenito. This local attraction, located behind the Stanford Highway Department, brings together the community as local children put on a scare that is sure to frighten young & old. It is comprised of trails which lead you into a maze of haunted structures & attractions. This unique experience raises funds for capital improvements to the Rec facility, while providing much enjoyment to all participants. Being in its 19th year of adults & children volunteering their time to act, Antonio and his crew of local kids create scenes, apply make-up and/or handing out costumes. There is something for everyone to do.

The Haunted Fortress is open every Friday, Saturday & Sunday night in October. We provide one of the best & most affordable haunts in the Hudson Valley. For more information contact the Rec department at hauntedfortress@gmail.com. We encourage adults & children alike to volunteer as there are many things to do even in the off-season And behind the scenes. Come participate in this amazingly unique program so that it can continue for many years to come.
