OTHER PROGRAMS

Fall Soccer

The fall soccer program is a 10-week program for \$40 with formal teams, uniforms, up to two practices a week and a game every Saturday. It begins with practices in late August and finishes the first week of November with a tournament for all teams. Any age appropriate child may join fall soccer – no tryouts involved! Adult volunteers are greatly needed for this program. Please contact John Blackburn at 845-756-3095. Those signing up after July 13th will be charged an additional \$10.00.

Haunted Fortress

This unique program, run by the Town of Stanford Rec Commission, raises funds for capital improvements to the Rec facility and provides much enjoyment to all participants. The Fortress is a grouping of trails and structures, located at the Town's Highway Department, which takes on different themes each October. This year is our seventeenth year of adults and children volunteering their time to act, create scenes, assist in applying make-up or handing out costumes, help at the snack table and any other tasks that make this haunted house the success that it is! The Haunted Fortress is open every Friday, Saturday and Sunday night in October. For more information contact the Rec at hauntedfortress@gmail.com. Cost: Adults \$12.00 and children 10 and under \$5.00.

Adult volunteers are needed for this amazing program to continue!

Indoor Soccer

Starting in January and continuing into March, an indoor soccer program is held in the Cold Spring School gymnasium. Children grouped according to age will play once a week between the hours of 5:00 p.m. and 8:00 p.m. The fee for this program is \$20 and includes a t-shirt. A five dollar fee will be collected at the end of the session for those who wish to participate in the pizza party. Volunteers are needed for all the sessions.

Taconic Little League

Taconic Little League provides baseball, softball and T-ball programs for children aged 5 to 18 who live in the towns of Stanford, Clinton Corners, Milan and Washington. The season is from April to June with district playoffs in July. Registration for the 2017 season begins January 2017. Early registration is strongly encouraged and is due by February 2017 for the season. Fall baseball/softball is also offered with a season from late August through October.
